CLASS OF 2012

CARPE DIEM

Throughout life, we all try to travel along the path we think we are supposed to follow. But as seniors we have tried to follow those paths, thinking of our futures and how bright they will be. There is much to admire about the class of 2012. "To enjoy, to seize the day" so perfectly describes the four fulfilling years we have spent at Stoneham High School. There is no more fitting phrase than "Carpe Diem" that captures the attitude of the Class of 2012. We will graduate with meaningful experiences and we will go into the world remaining positive that our futures will be successful and that we will make contributions to the world at large. We will grow with knowledge and ability. We will prevail throughout life, recognizing that we have the capability to make our lives and our futures what we wish, by living to the fullest each day. But for now, let us remember that our teachers, principals, and librarians have helped us through trying times. They have helped us grasp opportunities and have pushed us to our limits encouraging us to be the best that we can be. Now, it is our turn. We must go into the world and make a difference. When we look back on our days as Stoneham High School students, we will not regret our time spent here because we have persevered. As we leave Stoneham High School, and our memories, and old friends behind, we realize that our today will become our tomorrow, and so, as we go forward into the real world, we will never forget to seize every day.

DEDICATION

Mr. Serino and Mr. Schiazza

Since freshman year, history has been an enormous part of our education. We learned about ancient civilizations, the dawn of America and the way we became the country we are today. And while we may not remember everything we learned, we definitely remember our teachers. Mr. Serino and Mr. Schiazza have guided us through our historical education, paving the way with copious amounts of both humor and knowledge. Even if history wasn't one of our favorite classes, these two men were definitely a couple of our favorite teachers.

Mr. Serino, who has been teaching for 22 years, has seen us grow from the time we were freshmen until now, our senior year. He grew up on the mean streets of Saugus, and later continued his education at St. Anselm's College where he was captain of the varsity soccer team. When he was in high school, his greatest influences were the teachers and coaches, who taught him to learn and to have fun with academics. Without these special people, he would not have gone to school; let alone going on to college! They were his inspiration for becoming a teacher. Mr. Serino says that the best part of the class of 2012 is that we mix intelligence with fun. He feels like a parent that has watched us grow and blossom into fine adults. He advises us to figure out who we are and what we want in life. He doesn't want us to put too much pressure on ourselves. He does, however, want us to face our fears and not allow anyone to slow us down. After all, "It's unrealistic people who change the world". He encourages us to take advice from his favorite movie, Newsies, and seize the day!

Many of us know that Mr. Schiazza is a Stoneham native. After graduating from Stoneham High as a model student in 1976, he went on to study English at Hamilton College. He had always wanted to become an educator, but when he attended graduate school at Brown University, he was told that the history program was far superior to the English program. And so the Mr. Schiazza we all know and love was born! With a head filled with history and sarcasm, he returned to Stoneham in 1988, this time as a teacher, a job he cherishes because he "gets to talk about history every day". This decision was simple, he says, because he knew the school and the faculty, and knew that it was a wonderful place to work. He loves the senior class, and says we are one of his favorite graduating classes because we are smart, involved, funny, and caring all at once! He knows that our class is one that he will remember forever. He encourages us to "work hard, and to be open to new experiences and new ideas".

The Stoneham High School Class of 2012 would like to thank both Mr. Serino and Mr. Schiazza for all of the time and effort they have spent with each of us. Thanks to their ability to combine learning with fun, we never experienced a dull moment (except for maybe NHD!). Thanks to them, our high school experience has been a memorable one.

FACULTY

Knowledge is a gift. However, to give that gift is neither simple nor easy. As innocent freshmen we wandered the halls confused and bewildered. But soon, with the help of our teachers at Stoneham High School, we developed knowledge and understanding. We have grown into accomplished young adults with independent thoughts and ideas. We have gained acceptance, support and positive insight. Our teachers became our mentors and advisors. Often we have relied on them without pausing to think about their total commitment. Each day our teachers demonstrated compassion, understanding and patience - a lot of patience - often sacrificing personal time to better our future.

Without the support and guidance of the Stoneham High faculty, we would not have evolved as the bright and sensitive individuals we are today. Our teachers have provided us with hope and opportunity for not only a bright future, but they have also helped us develop the dedication and strength to stand up for our beliefs. They have instilled in us the passion necessary to dream without limits, to take action, and ultimately, to seize the day.

An empty stage. A foggy spotlight on a blood red curtain. The soulful jazz emanating from the orchestra. The first moments of the SHS Drama Club's production of *Chicago* captivated the audience immediately and transported it to the Roaring Twenties. The vision was that of Director Mr. Jason Eppskrier, Assistant Director Adrienne Born, Music Director Mr. Robert Lague, and Stage Manager Tiago Degen-Portnoy. The stage crew, led by Katie Conneely and Chris Bilbo, with assistance from Kyle Augello, Josh Leland, and Zach Young, worked tirelessly to create a jaw-dropping set that embraced the very essence of the time period. Senior members of the building crew, Connor Barry, Chris Ford, Abi Hertz, Ken Hogan, Emily Leis, Sam O'Brien, and Greg Skidmore, should be proud of the phenomenal work they put into the production. The costumes, designed by Ina Karanxha, were flawless and the choreography by Kali Hegarty and Denise O'Brien was stunning. Opening just like an act in a sleazy jazz club, the MC (Jeff Siegel) enters the spotlight and warns us of the horrible events we are about to witness. With a jazzy riff, the curtain opens and Miss Velma Kelly (Alyssa LoGrasso) wows the crowd with "All That Jazz".

As the song continues, Roxie Hart (Zoey Michaels), a married woman yearning to be a Vaudeville starlet, kills her lover when he walks out. Roxie panics and tells her husband Amos (Tim Sheils) that the man was a burglar, and Amos should tell the police that he killed him. She reflects on what a "Funny Honey" he is. However, Amos discovers Roxie's lie, so she confesses and is brought to the Cook County Jail where she meets the "Cell Block Tango" girls. She also meets Velma, who killed her sister and her husband the night Roxie met her lover. The rivalry begins the second Roxie sits in Velma's chair. Matron Mama Morton (Manda Belliveau) agrees, for a "small fee", to assist Roxie by calling the best lawyer in town, Billy Flynn (Nick Preziosi). He transforms Roxie into a sweet Southern belle to gain the sympathy of "softie" reporter, Mary Sunshine (Emily Pinto) who manages to find "A Little Bit of Good" in everyone. In the courtroom, reporters (including Michaela Guglielmi, Victoria Lanzilli, and Alyssa Ternullo) question Roxie about how "We Both Reached for the Gun". As Roxie becomes more famous than Velma, the attention-seeking former star asks Roxie to join her sister act, proclaiming that "I Can't Do It Alone". However, the public begins to lose interest in both Roxie and Velma, which leads the girls to think that they are "My Own Best Friend".

To capture the press's attention, Roxie fakes a pregnancy, but soon tires of Billy's controlling ways and fires him, a millisecond before he quits. Afraid of the same fate as Katalin Hunyak (Abi Hertz), the only innocent Cell Block girl who was just hanged for the murder of her husband, Roxie runs back to Billy. In the end, the judge (Tim Hopp) finds both Roxie and Velma innocent, and they are momentarily forgotten. They join forces to create their own act and sing about the great life one can lead "Nowadays". The show was a remarkable success and we will remember the "Razzle Dazzle" of the production forever.

The entire cast and crew pose before opening night!

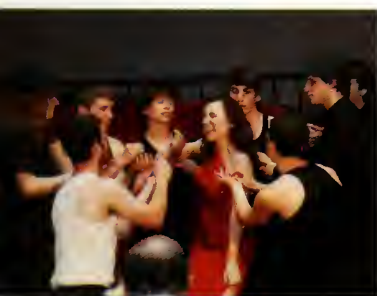

Amos tells us how invisible he feels.

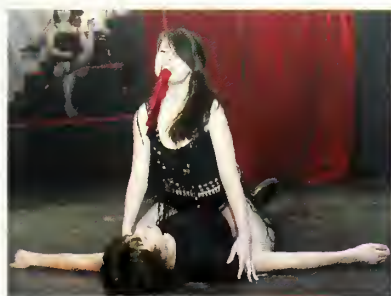

Mama Morton agrees to scratch our back if we scratch hers.

The seniors of "Chicago" get together for one final snapshot.

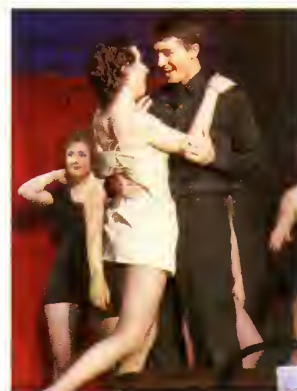

"Gentlemen, please, one at a time!"

"Some guys just can't hold their arsenic."

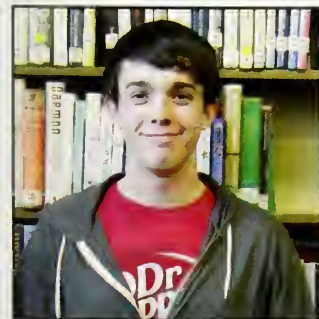

Velma and Roxie belt out the last number as free women.

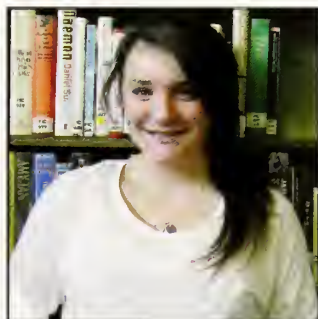

Roxie and Fred get cozy before he tries to walk out.

Metamorphoses

Nowadays, Bacchus dabbles in drag.

A mighty tree - the last image of the spectacular show!

Hunger attacks Eurysichthon.

Poseidon - God of the Sea

Psyche cuddles with her new husband, Eros.

Disguised as a woman, Vertumnus tries to get Pomona to fall for him!

A narrator tells the tale of Orpheus and Eurydice.

Ceyx says his heartbreaking goodbye to his wife, Alcyone.

This fall's production of *Metamorphoses* reawakened everyone's love for Greek mythology in a carefree and contemporary way. Based on the tales of Ovid, Mary Zimmerman's *Metamorphoses* presents a myriad of morals all centered around a grandiose pool of water, which the building crew (senior members: Dylan Badger, Joey Bragalone, Ken Hogan, Brian McSweeney, Sam O'Brien, Greg Skidmore, and Austin Wu) actually constructed in the center of the stage! They were led by senior crew leaders Kyle Augello, Josh Leland, and Zack Young, who aided in carrying out the vision of set designer Chris Bilbo. There was original sound composition by Connor Barry and Max Mullowney, and incredible hair and makeup effects by Abi Hertz and Jeff Siegel.

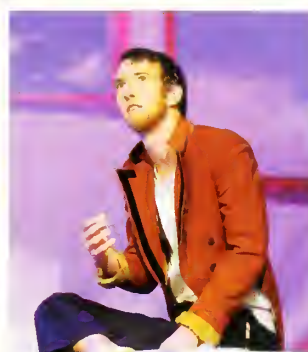

The play was unlike most that the Drama Club has presented in years past, as there was no central plot. Rather, the play was a collection of a number of Greek myths, such as the story of Vertumnus and Pomona (played by Connor Barry and Victoria Lanzilli). There were also the stories of Ceyx and Alcyone (Guiseppe Cannella and Zoey Michaels), Baucis and Philemon (Miranda Degen and Tim Sheils) and Phaeton (Jeff Siegel).

One of the audience's favorite scenes was the story of Eurysichthon (Chris Stavre), a man who angers a goddess by cutting down her tree. He is then cursed with a never-ending hunger and eventually sells his mother so he may buy more food. While traveling across the sea to be sold, his mother prays to Poseidon (Drew Maganzini) to transform her into a little girl. He does, and she is able to escape captivity.

The production, which was the vision of director Mr. Jason Eppskrier and assistant director Zoey Michaels, was a triumphant success, with tremendous performances by seniors Chris Ford, Kevin Dowling, Austin Wu, Alyssa Ternullo, and Denise O'Brien. We congratulate every single member of the cast and crew on such a marvelous performance.

The complete (and enormous) cast and crew!

NHS Induction

Mrs. Pagluica delivers the Honor Address to the new inductees.

The National Honor Society Officers of 2012:
Sarah Markiewicz, Karissa Leong, Tiffany Lopinsky and Bridget Gaughan

Senior Inductee Brett Kotowski lights his candle and prepares for his pledge.

Each year, the Stoneham High School Chapter of the National Honor Society hosts an induction ceremony to recognize the school's most outstanding students. This year on February 6, the Senior Officers inducted twenty-eight juniors, and one new senior. Membership is based on maintenance of a 4.1 GPA, and dedication to the qualities of leadership, scholarship, character, and service.

The night began with a welcome address by Mrs. Cargill which was followed by a beautiful rendition of the "Star Spangled Banner" performed by the Spartan Chorale under the direction of Mr. Robert Lague. Senior officers then introduced the key traits each new member must possess. President Tiffany Lopinsky began by speaking about Leadership. She spoke about leading by example and the importance of being committed to one's vision. Treasurer Sarah Markiewicz spoke about the importance of scholarship, focusing on the importance of a love of learning and the desire to gain insight into the world around us. Vice-President Bridget Gaughan shared ideas about the importance of character and the importance of being responsible, committed students who uphold moral decisions and rational thoughts. Secretary Karissa Leong spoke about service as a learning experience, pointing out that dedication to service inspires the completion of something worthwhile, and contributes to the enhancement of one's own character as well as the character of those they have helped.

The Officers chose Mrs. Pagluica to deliver this year's Honor Address. Following a thoughtful introduction by Bridget Gaughan, Mrs. Pagluica commended the students for their dedication and diligence emphasizing the importance of personal integrity as well as a hopeful spirit, ideas reflected in the works of Emerson and Thoreau. Following the Honor Address the Spartan Chorale performed their beautiful interpretation of "Sunday." At this point Tiffany Lopinsky introduced Mr. Schiazza as the 2012 Honorary Member of the National Honor Society. The Society recognized Mr. Schiazza's possession of the qualities of leadership, scholarship, character, and service as well as his passion for history and his dedication to teaching.

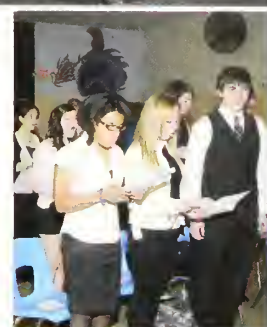

Finally, the candidates were called to the stage to light a symbolic candle and receive a pin. They were led in a recitation of the National Honor Society pledge and officially inducted into the society. The ceremony was inspirational and memorable. However, the moment many of us will remember with a smile is when Sarah Markiewicz took a tumble and almost took the stage down with her! It certainly lightened the mood for the rest of the night.

"Leadership comes from integrity. It comes from being a good example to your peers and joining together to achieve a common goal. The best leaders do not relish holding a position of authority, but appreciate the opportunity in having the ability to lead others in pursuit of their vision of a better world."

"Two essential aspects of character are independence and individuality. Not only have you learned to act on your own and make decisions by yourself, but you have set yourselves apart from others."

"Service is a learning experience that not only enchances your own character, but also brightens the lives of those that you are helping. It entails more than simply going through the motions, but completely investing yourself in the process."

"Scholarship is about having a lifelong love of learning. It is about putting time and effort into learning new things because it is the knowledge gained now which will lead to success."

Drama Fest

Benedick and Beatrice lock lips at the end of the play.

Claudio, Leonata, and Don Pedro set a trap to fool Benedick.

Dogberry talks to his teddy bear when Verges is out sick.

Constanza pesters Don John while in a drunken haze.

The beautiful Bathesda Fountain sets the scene.

Margaret, Benedick, and Ursula enter the party.

Ursula and Hero fool Beatrice into thinking that Benedick loves her.

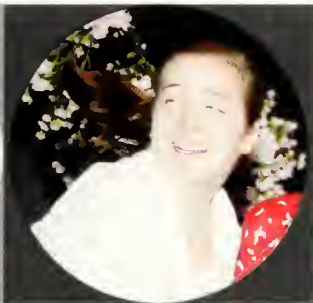

Claudio listens intently to Don Pedro's plan to woo Hero.

For Drama Fest this year, the Drama Club performed Shakespeare's *Much Ado About Nothing*, which proved to be quite a challenge. The play revolves around Benedick (Connor Barry) and Claudio (Jeff Siegel), two young men who have just returned from war. Their leader, Don Pedro (Nick Preziosi), introduces his men to his old friend Leonata (Zoey Michaels) and her daughter, Hero (Rebecca Lerman) and niece, Beatrice, (Denise O'Brien). While Benedick and Beatrice throw insults at each other, Claudio and Hero fall in love and are arranged to be married. To play a trick on Benedick and Beatrice, their friends, including Ursula (Riley Moriarty), convince them that each is in love with the other, and as a result they admit their love. Meanwhile, Don Pedro's brother, Don John (Tim Sheils), plots with his lackeys, Borachio and Constanza (Chris Stavre and Mary Kate McGrath) to ruin the wedding by framing Hero for "unmaidenly deeds" by having Borachio woo Margaret (Emily Pinto) while she wears Hero's clothes. After their plan is put into action, however, they are discovered to be "lying knaves" by the ragtag police force, Dogberry and Verges (Chris Ford and Ashlyn Edwards). After Claudio accuses Hero, she drops to the floor and is presumed dead. When the truth of John's plan is revealed, Claudio agrees to marry Leonata's mysterious niece instead. At the wedding, it is revealed that Hero is indeed alive! She and Claudio are married by the friar (Miranda Degen), as are Benedick and Beatrice.

As a twist, the play, typically set in 17th century Messina, is instead set in New York City, just following WWII. As an added twist, it is hinted Benedick and Beatrice are the couple featured in the famous photo of a sailor and a woman kissing on Victory Day.

In addition to the cast, seniors involved in the Fest production include Chris Bilbo (Set Design and Tech Director), Connor Barry (Sound Design), Abi Hertz, Jeff Siegel and Micaela Guglielmi (Hair/Makeup) and the vast majority of the Construction Crew: Kyle Augello, Dylan Badger, Joey Bragalone, Chris Ford, Ken Hogan, Victoria Lanzilli, Josh Leland, Drew Maganzini, Tommy Marchant, Tyler McCarthy, Brian McSweeney, Sam O'Brien, Greg Skidmore, Zack Young and Austin Wu.

This year's Drama Fest was particularly special because it was the first time in five years that Stoneham was selected to move on to the Semi Final round. The club visited The Bromfield School in Harvard, MA and competed valiantly with five other schools. Though the show was not chosen to move on to the final round of Drama Fest, everyone departed feeling quite accomplished. All Star Acting Awards were earned by Connor Barry, Denise O'Brien, Chris Ford, Ashlyn Edwards, and Zoey Michaels. Caroline Thompson and Kacey Green earned awards for Costumes, and Chris Bilbo, Mary-Kate McGrath, Tiago Degen-Portnoy, and Meghan O'Neill earned awards for Set Design!

Captains Words

The 2011 field hockey season is one that can be credited as one of the best that Stoneham High School has seen in years. With a final record of 6-8-2, we were merely two points shy of the post season tournament. We can proudly say that every player pushed themselves on the field, and as a team we achieved a great deal. After beating challenging teams and losing by very small margins, our team became a respected contender in the Middlesex League.

This could not have been accomplished without the crucial efforts of seniors Monica Canova, Michele D'Alfonso, Haley Maillet, Jill Macura, Denise O'Brien, Alycia Whooley, and Leah Zizza, all of whom gracefully led the team by example both on and off the field. We were also proud to have league coaches nominate Canova, Macura, and Whooley to represent us as All-Stars, due to their outstanding ability. Special thanks are also owed to our two coaches, Anna Dobbins and Jill Adams, without whom our season would not have been nearly as successful or memorable. Thank you everyone and congratulations on a great season!

The seniors on the field hockey team grew very close this season through team bonding, both on and off the field.

Captains Words

Although this season of golf was not the best showing Stoneham has seen in years past, we managed to fight through it and still have a very enjoyable year. After losing three of our top four golfers, we knew we were going to have to step it up this year. And that's exactly what we did. Unfortunately, the Middlesex League continued to be very strong and this season became more of a rebuilding year. Despite only winning one match this season, we always maintained a great attitude.

This year, the team had four seniors: Captain Kevin Young, who has been a member all four years, Steve Columbus and Danny Shannon, who have both been members since their Sophomore year, and Cody Gearin playing only his second year for Stoneham. Steve always tried to be the best golfer he could be. If he was ever playing poorly he would always try to figure out what he was doing wrong and fix it. Danny always gave it his all on the course regardless of the situation. Cody always had an enthusiastic attitude and managed to have a great time even if it wasn't his day on the course. Kevin, who qualified for States, was the most consistent golfer on the team. He always worked for every point in his matches and was the kid to go to if you ever had a golf question.

The rest of the golfers contributed just as much to the team as the seniors, with a consistent Danny Bullock, the power hitting Bobby Giordano, the rookie Ben Allen, the enthusiastic Cam Lemay and the determined TJ Finn rounding out the order. We wish them luck in the future and hope they keep up their hard work.

Not enough can be said about the 2011 volleyball season. Every team member dedicated numerous hours and commitment to working their hardest to further the team. Look where it took us. We definitely had a successful season after finally qualifying for the tournament for the first time in eight years. We had no doubts that we could come together and have an unforgettable season, especially when we heard that Coach Hardy was going to be our new varsity coach. We were excited, but ready to work. We knew that Coach Hardy would push us to our limits and inspire us to become better players, something we are all very grateful for. There were not many low points for us this season because we tried our best in every game and at every practice and were always there for each other. Today, we can all hold our heads high. With much inspiration and positive attitudes, the captains were able to lead the team to the State Semi-Finals, a monumental accomplishment. Job well done!

We are all so proud of how far we made it this year and there are no regrets. All of us will remember the entertaining pasta parties, intense practices, infinite inside jokes, and the nicknames we created. We will miss everyone and we wish the team the best of luck next year and in the years to come! Never forget ladies "Volleyball's fun!"

Captain Adrienne Stelmack and Captain Emily McNamara

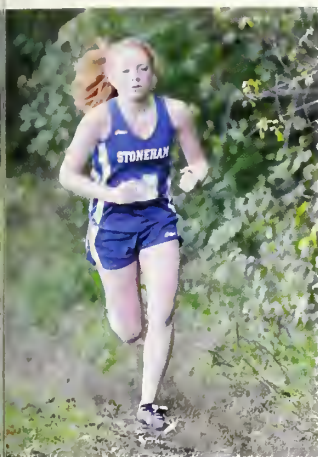

Captains Words

Cross-country is a sport that most people tend to avoid. People think of running and immediately reject it. After having bad luck trying to recruit middle school runners our team was extremely pleased when fourteen girls signed up to run this season. Captains Adrienne Stelmack and Emily McNamara both brought knowledge to the younger runners about running and led the runs with confidence. We had three all stars on our team, Adrienne Stelmack, Abby Kendall and Meredith Coccoluto. All of the seniors this year were successful and driven to become champions of the Middlesex League small school division. Adrienne Stelmack made the All Star list, Emily McNamara consistently placed in every meet with Julia Kelly scoring vital points right behind her. Junior Abby Kendall was extremely devoted and ran through every race although she was injured, and she ran well. She was a very important part of team's success. Junior Emily Kendall showed her devotion by coming to practice when she didn't have to, and she is a great pleasure to be around. Junior Gabrielle McDonough showed great promise and made huge strides and accomplished much this season solely by pushing herself. Sophomore Meredith Coccoluto is a great asset to the team, and the other freshmen and sophomores look good for years to come. Although Meredith is young, she is always eager to learn more about the sport, and beat the person in front of her.

Though the team devotion was strong, Mr. Norton was the main component to our success this season. He always believed in us and never doubted our ability to achieve our goals. His inspirational words guided us through our season, and he was always a great person to go to if you were nervous about your race.

Almost immediately there was a connection between the new members of the team and the returning runners. From pasta parties, to Crazy Dress Up Day, team dinners and sleep overs, the team was able to form a lasting relationship. We had a fantastic season. Though we lost many teammates to injury and sickness, we managed to come within one meet away from becoming Middlesex League Champions in the small school division. The season was definitely memorable.

This cross-country season began much differently than the previous season. During our previous season we were struggling just to form a team, but this year the numbers were there and our main focus was running. It was a solid sized team of eleven, and everyone devoted each day to improving as distance runners, thanks to the intense motivation and determination of Coach Powers. His passion for the sport was contagious and gave us the desire to get better each day. Unfortunately the hard work shown by all did not lead to any wins, but that only motivated us each day to run and train to our full potential. We had some close meets, against Belmont as well as against Watertown where all of us ran our best races of the season on our home course, the Sheepfold. Although we did not win that meet we demonstrated our unity as a team; all of our hard work came together on that day. Despite the team's struggles this year, the future appears bright for the eight returning runners, four of them seniors. The boy's cross-country team will have some great leadership and talent to look forward to next year.

This year one of our goals was to prove that cheerleading is a competitive sport that takes hard work and determination. With our coach by our side the team worked toward this goal. We were always motivated to reach for the cheerleading stars - competing at the State Championship Competition. Though we did not quite accomplish this, our team came to practice every day with an enthusiastic attitude. With perseverance and will-power, as our season progressed our team made an impressive transformation. Our team managed to become a family, always cheering each other on. Team spirit was a key to our team's successful season. This has been an unforgettable season, our best one yet. Although we did not make it past our regional competition it was more important to us, as captains, that we came together as a team. We would like to thank not only our dedicated coach, Nicole Laurila, but also our teammates, who always contributed positive attitudes to our practices. The girls never gave up and always wanted to learn more. Dedication and talent contributed greatly to our successful season. And though we faced challenges, we were able to overcome them. We will always look back and remember what a memorable season it was. Thank you again girls. We love you all. We wish you luck in the upcoming seasons, and hope you make it to States!

We never thought the day would come when we would be recapping our senior season. We had a fantastic year with a great group of kids. Everyone contributed and everyone helped us accomplish what we did. We finished the season 11-3-7 and our claim to fame will be that we won the Middlesex League. Ever since we were young, we had all dreamed of achieving this goal and we did. The highlight of the season was defeating Melrose 2-1 at their field. This win propelled us towards the title and gave us great confidence going forward. All the seniors were excellent and gave their all every day. All 12 seniors contributed and played to their full potential. We had been playing together since we were 6 and we always got along. We were friends on and off the field and had so much fun playing together. We can attribute much of our success to the coaching staff. This was the greatest team we have ever been associated with and we could not have asked for a better season. We would like to wish future teams the best of luck. #SFC11forlife.

Although many people had their doubts about our team this year after losing twelve seniors, we proved them wrong. We finished with a record of 15-2-5. We won the Middlesex League title and qualified for the Division 2 North Finals for the first time ever. This was the most historic run that the Girl's Varsity team has ever made, surpassing last year's season. Our success this season would not have been possible without hard work day in and day out from each player and the efforts our coach made to lead us to victory. We thank Ms. Chapman, Division 2 coach of the year, for all of the hard work she put into coaching and scouting throughout the season, which helped us become the best team that we could be. Every girl on the team put forth her best effort and played with heart the whole season. We could not have asked for a better group of girls to make our senior year so fun and memorable. Our team shared many laughs on and off the field, whether it was at the team scavenger hunt, a pasta party, or even during our pregame rituals, we always found a way to have a good time together. Good luck next year! It was an honor to be captains of this historic team.

Stoneham Football 2011

Captain Anthony Aidonidis, Captain Scott Carucci,
Coach Pignone, Captain Paul Delorfano

Captains Words

The 2011 Stoneham Spartans Football Team was one that will not be forgotten. Unfortunately, our record did not reflect our success, but we all know that it's nearly impossible to go from a thirty-two game losing streak to a winning record. With that being said, the 2011 team built the foundation for a new era of Spartan football. The hardest steps in rebuilding a program are the first ones, and we did it. We won 2 games, but we were competitive in nearly every game that we played. As seniors, we may not be able to brag about our final record, but as this program continues to take steps towards achieving success, we can sit back and proudly say "We started that".

Not enough can be said about our senior group. Every single senior was a key player, but more importantly, a great leader. This made the job of the captains a lot easier. From the beginning, the guys were behind us 100% and we want to thank you for that.

It's been a ride. It's hard not to get emotional when it comes to football. This is an emotional game. The ups and downs, wins and losses, the blood, sweat and tears ... everything. It's a grind, but we went through it together. These are memories that we will all have for the rest of our lives, and we couldn't ask for a better group to share them with. Thank you and never forget ... We Bleed Blue!

This season was my all-time favorite season out of all four years that I have participated in sports. Although we are the smallest team in the Middlesex League, we have more pride and motivation than many other towns.

We had five state swimmers this season: Kiersten Dudman, Kathryn Piasecki, Kaylie O'Connell, Bailee Day and Franchesca Jokiah. Each of us swam in either one or two relays. Bailee Day came in top 12 in both her events at sectional and at states she came in top 16. Kaylie O'Connell came in second in one of her events and was state champion in the other.

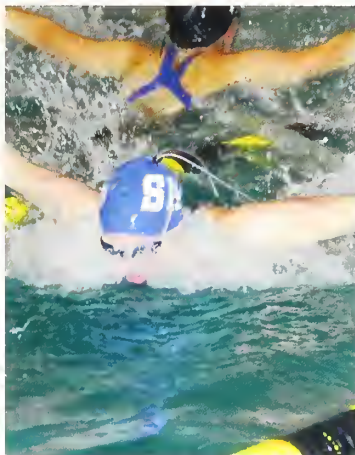

Between pasta parties, practices, community walks, meets and our scavenger hunt sleepover, we would end up seeing each other almost every day. It was really easy to become a family with everyone on the team. I could not have asked for a better group of girls. It was a privilege being their captain.

The 2012 Winter Track season had a very inopportune start. Days into our season we were left coachless and we relied on senior leadership to get by. Fortunately, we were blessed with two new coaches that were perfect for the job. Under Xavier and Jonathan Garcia, we were a completely different team. We had a new mentality and a desire to win, as well as a true passion for the sport. With eight state qualifiers, and everyone demolishing his personal bests, we went from last place in the league in 2010-2011, to second place and a mere four points away from league championship in 2011-2012. We attribute our success to our senior leaders, especially All-Stars Tim Hopp and Zach Young. Also, our shotput crew led by Scott Carucci and Dave Coscia went undefeated throughout the year. Overall, this was a very memorable season that included many positive experiences. We began as a group of athletes and we finished the season as a family.

With many newcomers and returning athletes on the Girls Indoor Track Team this year, we created a great season full of memories. Although we did not have a winning season at Stoneham High, we still progressed with great strength. At the practice after each meet, our head coach, Ms. Carter, always handed out a number of personal record stars for us to post on the door, boasting of our individual achievements which continued to motivate all of us. We battled with the fastest runners in the league and coped with injuries, however the team persevered with ambition and spirit.

At practice we were serious about our improvements as athletes. Our workouts were carefully thought out as we completed many different drills that strengthened our skills in each of our races. But we also had time for fun. Bonding as a team with crazy dress-up days, creating shirts for relays, and taking trips to Bertucci's, the season was full of laughs and newly formed friendships.

The seniors would like to thank our enthusiastic and dedicated coaches, Ms. Carter and Ms. DiLisio, for always keeping the practices fun; they literally had us running on our toes. Another thank you to the Boys Indoor Team and coaches, Xavier and Jonathan Garcia. We always cheered each other on with a positive attitude, even if the scores weren't as hopeful. Goodbye to all the hard-working seniors: Leah Zizza, Bridget Gaughan, Adrienne Stelmack, Emily McNamara and Jamie McDermott. Thank you for making this season great! Good luck next year! This season in Stoneham Gymnastics was one for the books. Coming back from last year's 0-7 record, the team pulled off a 5-2 season record, landing us in second place in the Middlesex League Championships. We finished with a 133.45, the highest team score we received all season. We all wanted to win and knew we could do it. Our determination and support for one another other was the reason we came out with a bang. We were the team that every team was intimidated to compete against and we loved every second of it. Senior Giovanna Lomartire went on to make it to the state individuals for the floor exercise, as did junior Sarah Muolo for all-around. The hard work from other competitors, such as Liz Turner, Jessica Belliveau, Kaylie O'Connell, Giana Romano, and Joy Albani all helped us to achieve the success that we did. Also, Sam Federico and Casey Auriemma showed their strength, helping us out on vault. All of the other girls on the team contributed to the fun we had together this season. Through pasta parties and goofing around, we made memories we'll never forget. The team was an easy-going and fun group of girls making it so easy for all of us to get along. Our loud music and crazy dancing kept us focused, sane, and happy. We brought the fun and entertainment to everybody in the gym. Coach McNeil deserves many thanks for all of her time, hard work and patience with our teenage girl attitudes. She was such a help to us and we really appreciated that. This season was one we'll remember and we can only hope that the gymnastics seasons to come will be just as awesome as this one.

We are incredibly proud of the Boys Basketball Team this year. We had a record of 10-10 which has not been accomplished in almost 20 years. Every game and every practice demonstrated the potential that we would take to the tournament. Although the team did not win against Pentucket in the first round of the tournament, everyone gave all they had and we were proud of our accomplishment. Getting into the tournament was no easy objective, and it will hopefully serve as an example for the underclassmen to work hard each day to get into the Division 3 State Tournament once more. Good luck to the team next year.

Coming into the season, we knew that this was going to be a rebuilding year. After losing six key players to graduation last year we knew it was going to be a tough year but as captains we just had to continue to be good role models for the underclassmen. As a team, we worked hard every day at practice to perfect the skills needed to succeed in the tough Middlesex League. Each player contributed to the team's success including the two senior captains, Jill Macura and Betsy Albani. In addition, the team had six juniors; Sam Trant, Carli Buono, Vanessa Parker, Becca Walsh, Nicole Kuleszka, Marissa Lopilato, six sophomores; Grace Macura, Stephanie Bramante, Lauren Gallahue, Britney Fucci, Emily Trant, Alyssa Norton, and one freshman; Olivia Gaughan. Fortunately, we finished second in the Middlesex League with a record of 11-8 and qualified for the tournament. We beat Lynnfield in the first round, but unfortunately lost to Swampscott in the second round. Off the court we shared many memories and laughs that we will never forget. We would like to thank the coaches; Coach Mills, Coach Killilea and Coach Sheehan for all the time they put into making our season fun and enjoyable. Even though it was the first season for Coach Mills, she was very motivational and helped us to succeed on the court. We will miss everyone and we would like to wish the team good luck next year. !

Coming into the season with new coaches, we didn't know what to expect. However, they quickly showed us what they were all about - changing the whole program around. Throughout our four years, this season was our most enjoyable. Although we didn't have the best record, our team competed during every game. Our strong points were our goaltending and our defensive play. One of the highlights of our season was when we tied Burlington, a team that ended up going to the Division I championship game at TD Bank Garden. This was our most successful season and we guarantee that everyone on the team, especially the seven seniors, will tell you they miss the fun and excitement. Overall we had a good run; the team enjoyed every minute on the ice with one another other. Best of luck to the underclassmen! The future looks bright for Stoneham High and Stoneham Youth Hockey.

The Girls Hockey Team, after losing six great seniors last year, had our work cut out for us this season. However, not only did we break the record for most wins in a season, we also won the Middlesex League Title for the first time in the history of girls hockey at SHS. We finished our season with a record of 10-6-2 and played in the first round of the tournament. We were able to accomplish so much this season because everyone played her heart out. Every time we stepped on the ice and each player had a consistently positive attitude. One of our best games was our battle for the title against Wakefield. Our first time playing Wakefield ended in a tie, but the second time around, we won 6-0. We would not have won this game if not for every person playing to her potential. The girls hockey program would not be where it is today without our coaches, Mrs. Swett-Zizzo, Mr. Hardy, and Kerry Swett-Zizzo, who have put in endless hours of work to help us reach our goals. We can't thank them enough for everything they have done for us on and off the ice. As seniors, the past season was by far the most memorable. Seniors include Devon See, Jess Anthony, Melissa Giordano, Alycia Whooley, Colleen O'Quinn, and Danielle Phalon. The memories we made throughout our four years playing together will never be forgotten. There was never a dull moment in the locker room and we always found a way to laugh and have fun on and off the ice -as well as at our team dinners! It was our honor to be the captains of this team - best of luck next year!

MEMORIES

Kelsey Dunn

I took Mr. Cummings chemistry class during my junior year of high school. Each Friday was "lab day" where we would do a new experiment. My lab partner, Colleen O'Quinn, and I always seemed to be the group to break something. We accidentally broke beakers, shattered test tubes, and spilled jars of chemicals. Mr. Cummings became annoyed. When we began the most dangerous lab of the year, he specifically warned us to be careful around the fire of the Bunsen Burner. When Colleen lit the Bunsen Burner, I did not realize my lab paper was underneath, causing the whole paper to go up in flames! The whole class stopped what they were doing and looked at us in shock as Mr. Cummings attempted to stop the fire from burning. Mr. Cummings now uses our burnt lab as an example of what NOT to do on lab days! EMBARRASSING!

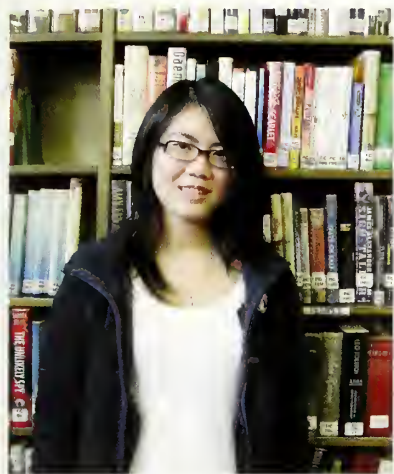

Jamie McDermott

Doug Cormier

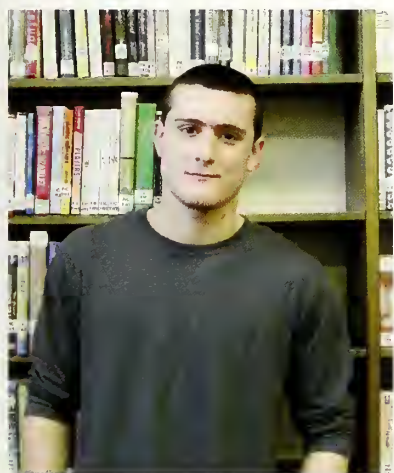

The most vivid memory that sticks out in my mind is our semi-final soccer tournament game against Arlington. Within the first 5 minutes of the game Devon broke her nose and had to get stitches. This set the tone for the rest of the game. It was an intense hard-fought battle. We were tied the whole game, I remember looking up at the clock to see that there were only 2 minutes left to play before we'd have to go into overtime. I prayed we would score before time ran out. However, we were going to have to play 10 minutes of OT. I couldn't play because I had sprained my ankle, so I stood anxiously with Ms. Swett on the sidelines watching as our team fought as hard as it could to get a goal. With 4 minutes left in overtime, we got a corner kick. Amanda kicked a less than perfect kick, but, fortunately, there was Ali Molinaro with the ball at her feet. It seemed like everyone was standing in front of her, preventing her from getting the ball into the net. All of a sudden the ball was miraculously in the back of the net. We won! We all sprinted to where Ali was and jumped on top of her out of excitement and celebration. That night will be a night that I will forever remember. A night SHS girls varsity soccer made history.

It was my varsity year and I had the privilege to play one last season with my team and best friends. Ever since Pop Warner in second grade we played side by side with the same goal; to win. Even though we were unsuccessful, we still put the effort and dedication into football. We found a love for the game and the feeling of being a family. As underclassmen, we always dreamed of being the seniors and seeing a change in Stoneham football. As summer arrived, anticipation for the upcoming season was starting to build. With a losing streak of 0-32, we were determined to break it to turn the program around. In the blink of an eye, it was the home opener against Whittier Tech. The stands were packed with curious fans awaiting the 2011 season. It was one of the most nerve-racking games I've ever watched. Although I didn't start, I held a small position on kickoff because I was willing to do anything to benefit the team. It came down to the last two minutes. We had the lead with a score 17-16. Whittier had possession of the ball and we were holding them. I glanced over and saw the clock ticking down to the last seconds. The clock struck zero and in an uproar, we charged the field to celebrate the victory! It was the best feeling in the world and I savored every moment of it. That game has become one of the most distinguished memories of my high school years and will never be forgotten.

Shirley Liu

One memory I will never forget from high school is the DC trip. While on our way home, all exhausted, the bus made a strange noise and we swerved to the side of the road from across the highway. We next found out we had just broken down on the Connecticut/Massachusetts line and that it would be at least an hour until the new bus arrived. In shock, Mr. V, Mrs. Swett-Zizzo, Ms. Swegel, and Mr. Schiazza had to quickly keep 40 teens occupied. We then began doing karaoke with the microphone in the bus. Realizing this, our amazing bus driver Tony gave us an iPod connector. For the last hour of waiting, the coach bus had become a vicious bouncing party bus. This is one incredible memory that I will have always.

Scott Shannon

The most fond memory of my high school career occurred during the 2010 SHS talent show during my junior year. This was the first time I had performed for an audience of over one hundred people, and it really marked a turning point in my passion for magic. After that one successful show, I started to make my acts more creative and large scale so I could perform for even greater audiences in the future.

I have not mentioned this to anyone until now, but I will admit that during my act, the 17th of the night, I was incredibly nervous. I did have trouble locating the razor blade that was hidden under one of the cups, and I kept thinking to myself that I would mess up and impale my hand. Fortunately, that did not happen. I will always remember this performance though, because it was one of the few occasions where everything worked out perfectly. The act was simple and entertaining, the audience liked my jokes, surprisingly, and my volunteers were very cooperative, easy to work with, and at the end, fun to scare as well! I am certain that the positive outcome of this performance sparked my interest in pursuing magic and gave me the determination to improve upon my passion. This will most definitely be an experience that I will look back upon with pride and nostalgia!

Being in Mme Gagne's French class since 7th grade has its advantages. Over these six years in French, our class slowly transformed into a big family, complete with a mother, genius siblings, and troublemakers/goofballs. Our favorite things to do were making videos, watching French movies, and complaining about the numerous depressing stories we encounter in French class. I remember making a cardboard TV, a shoebox cake, and a whatever-we-can-find-just-put-it-on birthday cake. We suffered through boot camp and lockdowns. We've been through wind and rain together. Nothing can step in our way.

Those trips to Canada each year only made us stronger. From the supposed food poisoning incident to getting lost in Canada, we just kept getting closer to one another. We'll always remember Mme Lee, Mme Gagne, or whichever you prefer because no one forgets a caring mother. We'll cherish those memories even after graduation: each and every one, from "sans blague" to poisson d'Avril to Barrington Bunny from our first year.

Stephanie Sweet

Throughout my years, I've had several interesting memories. The one that stands out for me was my first varsity hockey game during my freshman year. We were playing Woburn at an away game, and the rink was filled with people. I was shaking nervously. In the second period we were losing three - zero, and later in that period, I scored the first goal of the season. Everyone was cheering. The feeling was indescribable. Although we lost, this game is something I will never forget. Little did I know that I would end up captain of the varsity team when I was a senior.

Mnitos beijinhos!

Love,
Mom and Dad

May the good Lord be with you
Down every road you roam
And may sunshine and happiness
surround you when you're far from home
And may you grow to be proud
Dignified and true
And do unto others
As you'd have done to you
Be courageous and be brave
And in my heart you'll always stay
Forever Young

May good fortune be with you
May your guiding light be strong
Build a stairway to heaven
with a prince or a vagabond
And may you never love in vain
and in my heart you will remain
Forever Young

And when you finally fly away
I'll be hoping that I served you well
For all the wisdom of a lifetime
No one can ever tell
But whatever road you choose
I'm right behind you, win or lose
Forever Young

**Congratulations to the Class of 2012 for all
your success, and best wishes from your
family at the Howling Wolf Taqueria!**

The following Cherokee Legend informs our concept:

An old Cherokee is teaching his grandson about life. "A fight is going on inside me," he said to the boy. "It is a terrible fight and it is between two wolves. One is evil - he is anger, envy, sorrow, regret, greed, arrogance, self-pity, guilt, resentment, inferiority, lies, false pride, superiority, and ego." He continued, "The other is good - he is joy, peace, love, hope, serenity, humility, kindness, benevolence, empathy, generosity, truth, compassion, and faith. The same fight is going on inside you - and inside every other person, too." The grandson thought about it for a minute and then asked his grandfather, "Which wolf will win?" The old Cherokee simply replied, "The one you feed."

"Remember to feed the Good Wolf!"
